Subject: RECLAIMED METHANOL CONTRACT

Dear Mr. Capuano:

Referring to your letter of March 23, 1971 and the amended Methanol contract dated March 22, 1971, we agree basically to the changes; however, we feel that rather than amending Paragraph 9, we desire to eliminate Paragraph 9 and substitute the following:

- 9) National shall purchase all Methanol produced by Chemsol from the Harmon Plant Waste removed by Chemsol for the sum of \$0.20 per gallon. *with the consent of National* Chemsol shall have the right, however, to sell *if* the said Methanol on the open market provided that it shall receive an amount in excess of \$0.20 per gallon, *for such Methanol, then* in which event Chemsol shall pay to National etc.

If you are in agreement with the above, please incorporate it in this amendment and return to us for signature.

Very truly yours,

SCIENTIFIC CHEMICAL PROCESSING, INC.
